

Meeting Report #4 - 8 February 2024, 7:00pm

Jarrett Nelson, Nick Potter, Margaret Kreutz, Katie Hancock

Agenda:

- Milestone 2 due tomorrow, Margo will turn in
- Write 2 user stories
- Deliverables:
 - Link to github - shared with kevin.burt@uvu.edu
 - Code files: main.py, Classes.py
 - Unit test code files (test.py)
 - Unit test spreadsheet
 - Design doc w/ 2 user stories and 10-15 use cases
 - README.txt
 - Meeting reports
- Additional test files? - he will be running additional tests
- Main.py functionality
 - Correctly processes program
 - Checks for correct format in test file
- Possibly next Milestone - switch how we store so we don't have to cast to int every time (possibly a list of lists, the sub list containing two integers. The first integer is the operation, and the second the value. This will make it easier to index)
